How to install the Friedman test ado files in stata

1. Type **findit friedman** in Stata command window. Press Enter.
2. In the help window that opens, scroll down to Web resources from Stata and other users.
3. Click on the link **snp2_1** from [http://www.stata-journal.com/software/sj5-2](http://www.stata-journal.com/software/sj5-2).  
4. In newly opened window, click on the link (click here to install)
5. Wait for the installation to complete.
